Art Class Supply List

Hello IES students!

My name is Mrs. Anderson and I am your Independence Elementary art teacher for the 2020-2021 school year! This new school year may look a little different than it has in the past but one thing that can unite us is ART-MAKING! To assist all students best when participating in art class whether at home or face-to face, I am requesting that each student purchase a few small items to either bring with them to school or to use on Launched at home. Below you will find the checklist of items that we will be using throughout the beginning of the school year.
